## Inaugural Activities Detailed

Inaugural activities honoring Richard B. Ogilvie, governor-elect of Illinois, and other elected state officials will span an entire week in mid-January, inaugural committee officials announced.

Sen. William C. Harris, R-Pontiac, and Mrs. Brooks McCormick, Republican national committeewoman from Illinois, co-chairmen of the 1969 Inaugural Committee, said the week's events would begin on Monday, January 13, with the official swearing-in ceremony and related activities involving state officials and guests of both political parties.

Inaugural week will conclude with the traditional inaugural ball, attended by thousands of Ogilvie's friends and supporters all over the state, on Friday, Jan. 17.

Harris also announced the appointment of William DuVall, of Lake Forest, a Chicago business executive, as executive director of the committee, and Raymond Terrell, Sangamon County state's attorney, as Springfield coordinator of the group.

Immediately preceding the Monday inauguration in Springfield will be a small, interfaith religious service for state officials and members of the official inaugural party.

Roy J. Solisburg, Jr., chief justice of the Illinois Supreme Court, will swear in Ogilvie and the other constitutional officers at a formal ceremony scheduled for noon.

Following the ceremony, the public will be able to greet the state officials at separate receptions in their respective Capitol offices.

On Wednesday, Jan. 15, a special inaugural concert of the Chicago Symphony Orchestra is scheduled in Chicago. A reception before and after the concert will give concert-goers a chance to greet the new governor.

Ogilvie will be guest of honor at a fund-raising reception on Friday afternoon sponsored by the Illinois Republican State Central Committee. Tickets will be available to all inaugural guests.

Mrs. McCormick stressed that (Continued on page two)

## Preston Reckers Sr. Dies In Home Fire

Preston J. Reckers Sr., 69, of 479 Shannon Ave., Channel Lake, died in a fire Thanksgiving Day in his home.

Reckers was found in the kitchen of his frame home about 8:45 a.m. by Antioch firemen called to the blaze.

Reckers, a retired Illinois Bell Telephone Co. head assigner for 47 years, was taken from the home by Firemen Robert Letkey and Tom Borla.

First aid, including a resuscitator was used on Reckers until the Antioch Rescue Squad came and took over but efforts to revive him failed.

Sheriff's deputy Vernon Cook said the fire seemed most intense in the front bedroom on the southeast corner of the house.

Reckers was found on the kitchen floor in the northwest corner of the home.

Mrs. Marjorie Reckers, his widow, said she had gone to visit a friend about 7 a.m. and her husband was seated at the kitchen table at the time but mentioned he was returning to bed.

Surviving, besides the widow, are three sons, Preston J. Jr., Antioch, Norman, Rancho Cordova, Calif., and Albert, Mt. Vernon; one daughter, Mrs. Alan (Marjorie) Berreller, Wheeling, and 14 grandchildren.

Services were held at 3 p.m. Saturday in the Strang Funeral Home, Antioch, with the Rev. Donald Cobb of the Antioch Methodist Church officiating.

## Christmas Concert Is Sunday

The 15th annual Christmas Concert by the Antioch Grade School senior and junior bands, will be held at 3 p.m. Sunday, Dec. 8, in the grade school gymnasium.

The program will be under the direction of George Olisar with Ken Smouse acting as Narrator. Features will be a solo by a Flute trio composed of Dawn Robin Lindblad, a Percussion solo by David Rush, and a Cornet solo by Nancy Wells.

Tickets can be purchased from any band member or at the door.

## Mayor's Salary Hiked -- But Not Until 1969

Antioch's mayor—next May 1—will get double the present salary the mayor now receives, the Antioch Village Board of Trustees decided Tuesday night.

The board boosted the salary to \$1,200 a year from its present \$600.

The new hike cannot go into effect during the present mayor's term of office, however, so the increase will have to wait until after the April elections.

**PARKING METERS**  
The residents of Antioch are going to get a break on the parking meters.

During the Christmas shopping season the meters are going to be covered from Dec. 16 through Christmas Day.

The action of the board was unanimous.

**POLISHING POND**  
In other action the board decided to advertise for bids on the tile and fencing for the polishing ponds at the Antioch sewerage plant.

The bids, which will be broken into two parts or the whole job, will be opened at the board meeting to be held at 8 p.m. on Jan. 7.

**ANTIQUE AUTOS**  
The owners of antique autos—those of 30 years old and even more ancient—are going to get a break on the purchase of village vehicle stickers.

Trustee Richard Radke pointed out that he had been approached on a fesser price for the antiques and the board decided to charge only \$2 instead of the usual \$6 for the stickers if the buyer can produce a registration.

**TILE FLOOR**  
A motion by trustee Vern L. Barnstable to tile the floor of the laboratory at the water plant also won village board approval.

The board authorized an expenditure of up to \$175 for the project.

**DENY OPENING**  
The board, on a motion by Trustee Robert Wilton turned down a request from realtor Charles Cermak for another opening into his property.

Wilton pointed out that Cermak already has an adequate entrance off of Lake Street and another opening would eliminate two more parking spaces from an already inadequate parking arrangement.

Wilton said that there are only 17 parking spaces in the area now and that the move would

necessitate the taking out of two parking meters.

"I believe that this would work a hardship on other business business places in the area," Wilton said.

His colleagues agreed and denied the request.

**NEW APPOINTMENT**  
The board, in other action, approved the appointment by Mayor Raymond Toft of insurance man Richard Witt to the Antioch Zoning Board of Appeals.

Witt will replace Charles Cermak who resigned recently because of the press of business.

**FINAL ACTION**  
In final action the board approved the request for an \$20 expenditure for the purchase of a camera for the Antioch Fire Department.

It was explained that many records are expected to be kept of fires, including pictures.

The board also voted to spend \$25 for membership in the Lake (Continued on page three)

## Memorial Fund At 30 Per Cent

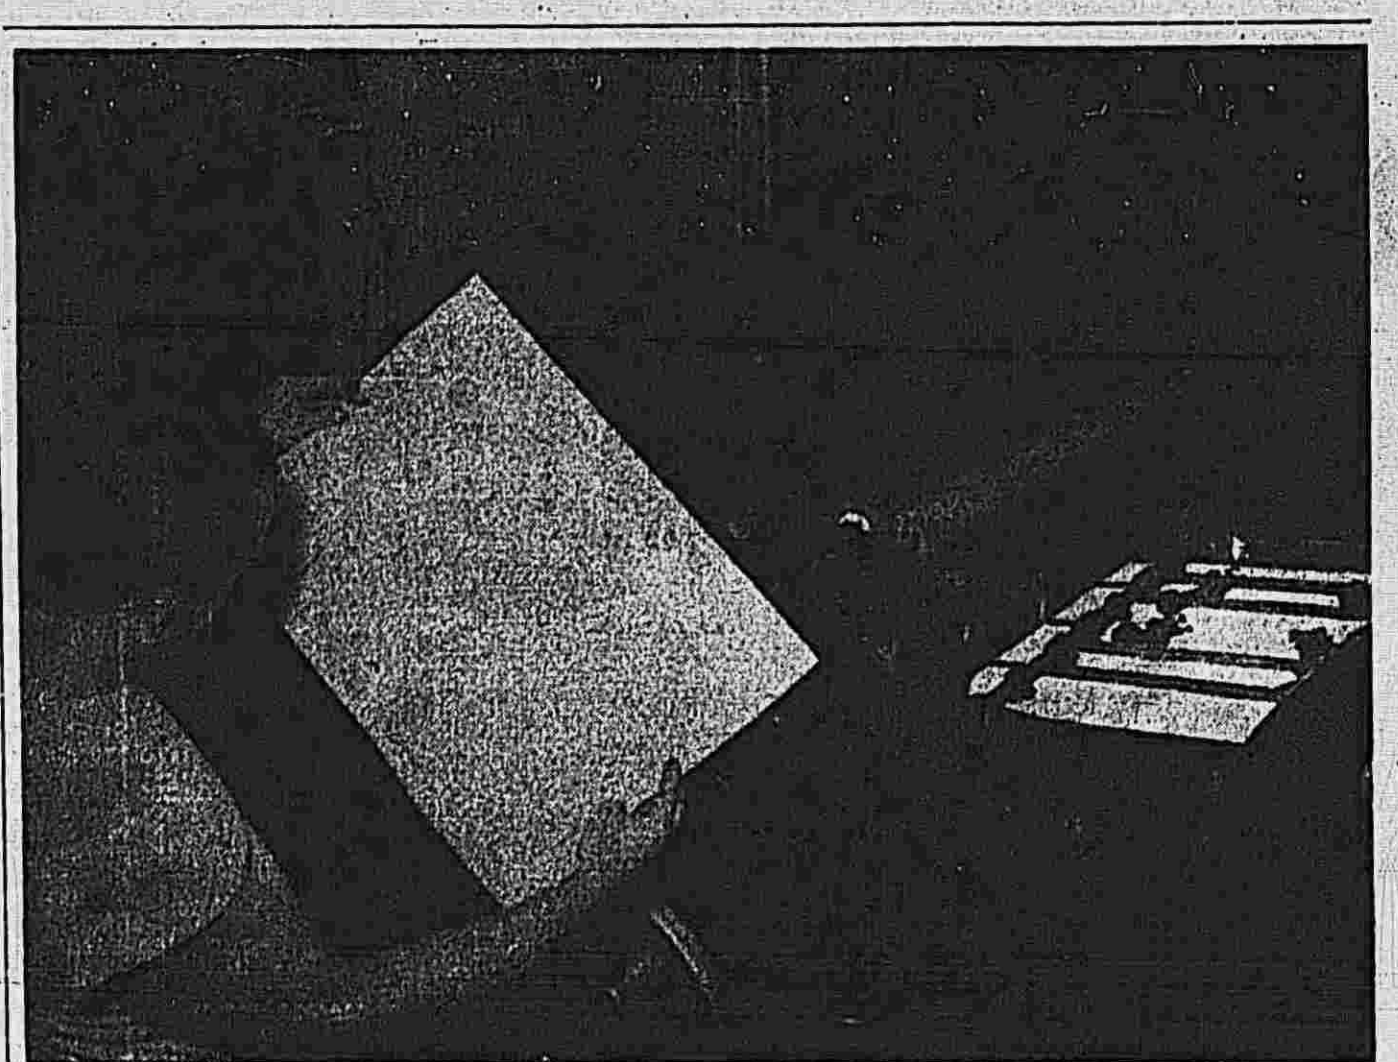

The Antioch Veterans' Memorial Fund officials today announced that 30 per cent of the total of \$2,900 needed for the memorial has been collected.

Recent donors to the project include:

Payless Super Foods, Inc., Ace Hardware, Steve Ryzko, Ted Kozio, Harold Jalass, Harry Kozio, Walter Kozio, The Little Gallery.

Mr. and Mrs. Edward Frazier, William Brook, Klass Men's Store, Polson's Dietary Foods, State Bank of Antioch, Norman Jodelo, V.F.W. Auxiliary, Antioch Legion Post 748 and Pickard, Inc.

Bids have been obtained on the construction of the granite memorial monument to honor Antioch's dead from the wars, and the site in front of the village hall has been made available by the village fathers.

Wally Vltavsky at work on the 100 page Christmas Card for Project Vietnam that is being printed by The Antioch News, Inc. to send to our servicemen at home and abroad. The sheet he is looking at contains 130 signatures and the entire card has an estimated 2,000 names on it.

## 5 County Officials Take Oath

Five Lake County officials, who were elected Nov. 5, took the oath of office Monday from County Clerk Truman G. Gerretsen.

The newly sworn officials are: Circuit Clerk Stephanie Sulthim, Recorder Frank Nustra, Auditor John Darrow, Coroner Orville S. "Pat" Clavey, and State's Attorney Jack Hoogastam.

All together, the officials have already put in a total of 95 years service with the County.

Mrs. Sulthim, Darrow and Nustra (Continued on page three)

## Clerk's Salary Slashed

The salary of the Lake Villa village clerk will be cut from \$1,250 to \$700 after the April election, members of the village board decided Monday night.

The move for the slashing of the salary came after Mayor Donald Cremen pointed out that the clerk no longer has all of the office work that was included in the past.

Cremen said most of the clerk's work was taken over by the office staff.

At the same time the board of trustees were cutting the clerk's wages they were boosting their own.

Trustees agreed at the meeting that their own salaries should be hiked from \$10 to \$15 a meeting.

It was decided, however, that the raise would go into effect a week after the election as they could not raise their own salary during their term-in-office.

The board also decided to meet with village attorney Robert Heilgeist concerning the cost of demolition of an unfinished motel structure on Rte. 83 across from the Lake Villa Grade School.

The building, which has been an eyesore to residents and a hazard to children who play in the structure, has been named the "Green Monster."

## Chamber Elects Directors

The Antioch Chamber of Commerce has elected four new directors, three for three year terms and one for a two-year term.

Named to three year terms are Grant Spong, Quaker Industries, Industrial; William Mendrala, Antioch Drugs, Retail; and LaVerne Woods, First National Bank, Service.

Named to the two-year term was John Renter, Romer Insurance, Service.

The Chamber also announced that 300 children received rides with Santa Claus in the helicopter last Saturday.

The rides were made possible through the courtesy of the State Bank of Antioch and Lou Simon and Ken Schultz.

## Permit To Build Channel, Harbor

A construction permit has been issued by the Illinois Division of Waterways to Ernest Opatz, RFD 1, Antioch, to construct a channel connected to Fox Lake and a harbor connected to the channel in the vicinity of the Village of Fox Lake.

## WEATHER REPORT

BY TOM ROBINSON

Nov. 27 to Dec. 3, 1968

	H	L	R	S
Wed. ....	45	23	.07	—
Thur. ....	40	21	.74	—

## Reporting Of Flue Encouraged

The Lake County Health Department has been notified by the Illinois Department of Health that Hong Kong Influenza Virus has been isolated from a patient at the Northwestern University Student Health Service. The case was reported as one of a household group with influenza-like illness.

To date, no cases of influenza have been reported for residents of Lake County. The rules and regulations of the State of Illinois do not provide specifically for reporting of cases of influenza.

However, in the present situation, the Lake County Health Department has asked the Lake County Medical Society to encourage reporting of influenza-like disease by its members. Information concerning incidence of such illness.

Recent donors to the project include:

Fred Hawkins, The Robert Harris, Mrs. Schamberger, Lorna Buchert, Mrs. A. Fields, Hazel Rhymer, Mike and Elaine Wojnowiak, ReCupido Advertising, Benes Construction Co., Drije A to Z Rentals and Women's Auxiliary of St. Ignace Church.

Preparations are also being

## Antioch Adventurers To Pack For Vietnam

The Antioch Adventurers of the 4-H Club, will prepare packages for the next Project Vietnam mailing.

They will meet at the Emmons School at 3 p.m. on Wednesday, Dec. 18, to pack and address gifts to 57 Antioch servicemen in Vietnam.

Due to the heavy volume of mail the packages are not expected to arrive in Vietnam until after New Year's Day, but the boys will not be disappointed as each was sent four boxes of goodies last month which they should have before Christmas.

Preparations are also being

speeded up by Project Vietnam to send the community card, donated to the project by The Antioch News, to all of the servicemen at home or abroad, whose names have been turned in at the post office.

Recent donors to the project include:

Fred Hawkins, The Robert Harris, Mrs. Schamberger, Lorna Buchert, Mrs. A. Fields, Hazel Rhymer, Mike and Elaine Wojnowiak, ReCupido Advertising, Benes Construction Co., Drije A to Z Rentals and Women's Auxiliary of St. Ignace Church.

Preparations are also being

## Welcome Wagon Graduate

Mrs. John Ewen, of Lake Villa, has returned from Welcome Wagon Hostess Training Class where she has completed a course of training preparing her for the position of Welcome Wagon hostess which she now holds in this community.

Mrs. Ewen is one of 6,000 hostesses who are making approximately a million calls annually on families in the United States and Canada, the United Kingdom, and Australia, embracing more than 4,000 cities.

These calls on behalf of Welcome Wagon's more than 100,000 sponsors are made on families on such important occasions as when they arrive in a community as newcomers.

Often referred to as a service that is "in the business of building friendships" Welcome Wagon's basis policy includes cooperation with all religious faiths and with worthwhile civic and social service groups.

Mrs. Ewen, on behalf of her sponsors here in Antioch, will take religious and civic information to the families on whom she calls.

With her most famous basket in the world she will extend to the newcomers old-fashioned hospitality.

William Brook, from left, president of the State Bank of Antioch presents Official Boy Scout and Cub Scout Calendars to David Deboer, Cub Scout Pack 192, David Edwards, Boy Scout Troop 92 and Joseph Hellstern, assistant District Commissioner of Scouting, Northwest District. The State Bank is sponsoring the calendars in our community. Troops 91 and 92 will distribute the large calendar as their service project and Cub Packs 86, 88 and 192 and Troop 88 will distribute the home calendars. Approximately 100 Boy Scouts and 100 Cub Scouts in Antioch, Grass Lake and Channel Lake will receive the calendars for their home. The scouts will also distribute a calendar with a picture of an original painting of Norman Rockwell titled "Beyond the Easel" to all retailers, manufacturers and community organizations.

## EDITORIAL

## Be Careful

Lake County's traffic fatality toll is above last year's and while it doesn't look like a new record is in the making several more persons are expected to be killed before the holiday season is over.

About one of every five killed in traffic is a pedestrian.

On these festive days when the light fails early it would behoove us—both motorists and pedestrians—to exercise just a little more caution.

The worst sight one could see is a person lying among the wreckage of some gaily wrapped Christmas packages that will never be delivered because of a moment of carelessness.

We know that you are in a hurry these days.

We know that you have many chores to perform so as to brighten someone's Christmas.

But we would also like you to brighten ours.

We would like you to be in the crowd when we say Merry Christmas.

## Earth Mission

The plans for Apollo 8 to orbit the moon during the Christmas holidays offer the prospect of an exciting adventure, with vast implications for the future.

But while we watch the lunar mission, we cannot overlook the problems that still plague half the people on earth—hunger, poverty, sickness, illiteracy.

Nor can we draw border lines on our compassion.

In this season above all others, it behooves us to remember the needy both at home and across the world.

CARE offers a way to reach less fortunate people in Africa, Asia, the Middle East and Latin America. The current \$6 million CARE Food Crusade appeal seeks to deliver 6 million packages, at one dollar each, in the name of the American people.

Combined with U.S. donations of farm abundance and operating costs contributed by participating nations, the gifts will help feed 28 million persons in 33 countries during the coming year.

This mission, too, has vast implications for the future.

The food will do more than keep people alive. Meals at schools and preschool centers will help malnourished children become healthy, educated, self-supporting adults.

Emergency programs will help war and disaster victims build a new and better life.

Food-for-work projects will help poor villagers build schools, roads, clinics and other musts for human progress.

You can join the "count-down" by contributing to CARE Food Crusade.

## Taxpayers Protected By Statutes

The Illinois Constitution and statutory provisions give taxpayers substantial protection in State expenditures, the Taxpayers' Federation of Illinois noted today. Expenditures must be authorized in the form of legislative appropriations.

Like the operation of family spending, Illinois must have a budget, and its administration is strengthened by a statutory provision that all appropriated expenditures by departments created by the Administrative Code, and other agencies specifically exempted, are subject to prior approval of the Director of Finance. Further, appropriations for capital outlay provide that no obligations of such funds may be incurred without prior approval by the Governor.

Every quarter, allotments to device for measuring the rate of expenditure of an appropriation are made each year by all agencies of State government, except legislative and judicial bodies. The portion of the allotment set aside and reserved for the liquidation of obligations incurred is termed an encumbrance.

Appropriations made for this biennium, July 1, 1967 through June 30, 1969, are available, unless specifically restricted, from July 1, 1967 through September 30, 1969. However, only obligations incurred before June 30, 1969, and outstanding at that date may be paid from the appropriation during the three months of the "lapsed period." At the end of that period the unexpended balance of the appropriation is lapsed. The amounts required to complete construction projects underway on June 30 are usually reappropriated to finish the projects, and such reappropriations reduce the budgetary balance available for new appropriations for the next biennium.

Special Funds, or trust funds, are set up in the State Treasury to handle Federal aid. This aid comes to such special funds and thence to appropriated funds, or is paid directly into appropriated funds partially supported from other sources. To a limited extent the statutes allow expenditures of Federal aid without appropriations, or in excess of the appropriated amount. In the main, however, Federal aid is mingled with State revenues in an appropriate fund and is subject to the same restrictions on the expenditures as are State revenues. For example Federal aid for highway construction is paid directly into the Road Fund, which fund also receives State revenues, and the total of such money may not be expended except pursuant to an appropriation by the General Assembly. The same restriction applies to Federal aid for public assistance transferred from a trust fund to the State's General Revenue Fund.

## Booklet Details Finances

How are Illinois' finances set up? How much does the state spend? For what? By whom? What is our state revenue structure? What are the possibilities open for new revenue sources? Are our existing sources of revenue adequate? Enforceable? Just? How can spending be controlled? Where does Illinois stand on the debit-credit ledger? These and other questions are reviewed in a newly published study of the state's fiscal crisis, prepared by the State and Local Taxation Committee of the Illinois State Chamber of Commerce. The publication, entitled "A Question of Balance: The Illinois Fiscal Crisis in Perspective," points out that "a fiscal crisis, developing in Illinois for some time, has become acute since the last regular session of the Legislature.

Purpose of the report, according to Lester W. Brann, Jr., State Chamber executive Vice President, is to "isolate and describe the state's general fiscal problem." He said the Chamber wholeheartedly is in accord with Governor-Elect Ogilvie's avowed intention to press for economies and efficiencies in state government which could have a very real impact on state revenue requirements next year.

Copies of the study are available from the Illinois State Chamber Headquarters, 20 North Wacker Drive, Chicago 60606.

Illinois is the transportation center of the nation. Each day its railroads handle 35,000 freight cars and 265,000 passengers from over 9200 communities.

## Choose Toys Carefully

Toys are responsible for many children's eye injuries, yet play is a learning experience and toys are important in a child's life, according to the Illinois Society for the Prevention of Blindness.

There are several good rules which should be followed when buying toys that will help in selecting reasonably safe ones.

1. Be sure that the toy fits the age group of the child. What might be safe for a ten to 12 year old could be highly dangerous for a four or five year old child.

2. Don't choose a toy with sharp corners or protruding, pointed parts, especially if there are young toddlers in the home. An accidental fall against such a toy could be hazardous.

3. All types of toy guns and rockets that eject anything should be avoided. Many of these toys come with plastic pellets and are most tempting. Children replace the pellets with small stones or metal shot and accidents occur.

4. No young child should be given bows and arrows, sling shots, BB guns or dart games. Rubber tipped darts and arrows are equally dangerous. The rubber tips are frequently lost and the darts and arrows then become weapons capable of destroying an eye. In fact, this has happened too often.

5. When a chemistry set is given to a teenager, eye protection should be provided. State law requires that every student, teacher and visitor wear eye protection in all school chemistry laboratories, yet very little attention is paid to this in the home.

6. Of course individual use and ownership of all fireworks is strictly prohibited by Illinois law. Compliance with this law is still a serious problem which requires the cooperation of alert adults. Even more serious than fireworks is the problem of homemade explosives for which chemicals are easily purchased through the mail. Parents should stress that these explosives are not only dangerous but deadly for they do kill.

Cigarette smoking is popular and widespread. It is also damaging and deadly. Parents and teachers must set examples. Habits established early in youth are the hardest to break. Most of the 15 year old smokers remain smokers. This can lead to serious respiratory diseases and other chronic diseases. Two words make much sense: "DON'T START!"

A smoker of a pack of cigarettes a day takes about 60,000 puffs a year.

## CASTLE INSURANCE

Your home is your castle. It probably represents the biggest investment you'll ever make. And you'll be smart to protect that investment with a State Farm Homeowners Policy. This low-cost package of protection provides broader coverage for your home and belongings and for you, in case of lawsuits... at less cost than many similar policies. Call me for the details!

## ALONG THE WAY with Annie Mae

## ROAST TODAY, HASTY TOMORROW

Now that we've had the remains of that dear bird served us every way possible, I sincerely hope everyone had a nice Thanksgiving.

## GET WELL QUICK

A special prayer and a wish for a speedy recovery goes to Jim Fields, a devoted Rescue Squad captain, who has always been so willing to help others! FLE WITTE COOP!

I think the winner for the furthest traveled for a Thanksgiving dinner goes to Bernie and Shirley Gutowski and their four children. They flew to Connecticut to spend the week with former residents, Pete and Joan Paulos.

## Abbott Laboratories Purchases Borchardt

Abbott Laboratories of North Chicago announced today that it has completed the previously announced purchase of the assets of the Borchardt Company, Chicago.

The principal product of Borchardt is Maltisux, an ethically promoted mild, natural laxative. Total sales of Borchardt in its fiscal year ending Sept. 30, 1968, were approximately \$1 million. Borchardt, which employs approximately 30 persons, becomes part of the Abbott Pharmaceutical Products Division.

## SURPRISE!

Last Sunday Alice Young hosted a surprise bridal shower for Ginny Wells. She thought she was to attend an early Christmas party and it turned out to be one for her.

## THOROUGHLY MODERN SANTA

There was more than one happy child last weekend when Santa's helicopter arrived. Thanks to the combined efforts of Lew Simon, Ken Schultz and the State Bank of Antioch every child got to ride in Santa's helicopter.

## (X) DAYS TO XMAS!

Time to count those shopping days.

Off and away, ANNIE MAE

## Two Drivers Lose Licenses

Secretary of State Paul Powell today announced that the driver's license of Curt R. Suski, Box 247B RR 4, Antioch has been suspended for three violations.

The driver's license of Samuel A. Tucker, 509 Lakeshore Drive, Lake Villa, was also suspended for violation of the curfew act.

A probationary permit has been issued to Windelyn M. Carter, of RFD 2, Box 418, Antioch.

## Inaugural Activities.

(Continued from page one) ness is of value in planning community-wide control measures.

Influenza is an acute respiratory disease accompanied by fever, chills, headache, and muscular aches. Cough is a prominent symptom. Patients usually recover within a week. However, deaths sometimes occur among the elderly and persons with pre-existing serious chronic ailments.

There is no curative treatment for influenza. The disease may be prevented by vaccine made from virus that matches the strain responsible for illness during a particular season. In the present case, this would be Hong Kong A2 virus.

At the present time, the Lake County Health Department has no official information regarding the availability of A2 vaccine.

One of the biggest troubles with success is that its recipe is about the same as that for a nervous breakdown.

## Reporting of Five...

(Continued from page one) proceeds would be used to defray costs of inaugural week activities. State Funds will be used only to finance the formal inaugural ceremony on Monday.

Climax of the week's activities will come with the gala inaugural ball on Friday evening, highlighted by the grand march and appearances of all top officials.

Harris said details on times and locations of the various events will be announced as they become firm.

Hotel accommodations in Springfield for Friday, Jan. 17, are being handled by the Republican state central committee, he added, and guests seeking reservations should address requests to the committee at 200 S. Second Street in Springfield.

## 5 County ...

(Continued from page one)  
tra begin their third term, Clavay his second, and Hoogasian his first.

All except Darrow had worked for the County several years before being elected. Darrow joined the County as Auditor after having served as North Chicago City Clerk for some years.

Outgoing State's Attorney Bruno Stanczak ended nearly 22 years with that office as of Dec. 1. He became an assistant State's Attorney in 1947 following discharge from the Navy. During his tenure Stanczak handled all types of cases, from delinquent tax and trial work to counsel for the County Board of Super-

visors.

Recounting some of the highlights in his career as prosecutor, Stanczak said one of his most rewarding experiences was a string of nine convictions in a row. He particularly remembered the Adie Devost murder case in which the Waukegan woman finally pleaded guilty after killing her third mate. She had been arrested on two previous counts but each time was freed.

Stanczak says he believes juries today allow too much emotion to cloud their judgment. The former prosecutor said, "I think a three-judge panel would probably mete out better justice in trial cases because juries are too sympathetic."

Stanczak has retired from elective public office but not from the practice of law. He will join his son William at the firm located just across the street from the courthouse complex.

## Mayors Salary ...

(Continued from page one)  
County Municipal League for 1969. Trustee Vern L. Barnstable was appointed as an alternate to the body when Mayor Toft is unable to attend.

Science has discovered a soap which removes the ring from the tub. If only science could remove the ring from the phone we would be able to relax in the bath at last.

## Boy Scout Councils In Merger

The Evanston and the North Shore Area Councils, Boy Scouts of America, which includes Antioch, have been consolidated, bringing programs for nearly 13,000 Cook and Lake County boys under a single jurisdiction.

The new Council will be known as the Evanston-North Shore Area Council and will cover a total of 45 northern Cook and Lake County communities.

Carl W. Vorreiter, of 522 Washington Ave., Wilmette, and Director of Personnel, Swift's Fresh Meats Company, was elected president of the new Council.

William J. Neill, of 2401 Pioneer St., Evanston, an executive of Fannie-May Kitchens, was elected as the new Council Commissioner.

The consolidation was formally approved at a joint meeting of the North Shore and Evanston Councils at the Locust School, Wilmette, on Tuesday evening, Nov. 25. North Shore Council members voted 77 to 10 in favor of the consolidation and the Evanston Council members voted 37 to 14 in favor.

The new Council will have a total annual budget of \$226,000, representing \$171,000 from the North Shore Area and \$55,000 from Evanston, Vorreiter said.

The new Council will have 325 Cub Scout, Boy Scout and Explorer units with a total enrollment of 12,758 boys. Currently, more than 5,000 adults are serving as volunteer leaders in various Scouting activities in the new Council area.

Major goals of the new Council, Vorreiter pointed out, will be to expand Boy Scout programs in underserved areas and to bring about better utilization of the new Council's eight camps located on more than 2,000 acres of land in Wisconsin and Michigan.

The new Council serves the communities of Evanston, Wilmette, Kenilworth, Winnetka, Northfield and Glenview in Cook County and a majority of Lake County communities including Highland Park, Lake Forest, Lake Bluff, Deerfield, Mundelein, Libertyville, Grayslake and Antioch.

Alwyn A. Hughes, formerly executive of the North Shore Area Council, was named executive for the new Council and Ray L. Whitaker, former executive of the Evanston Council, was named administrative assistant. Scout executive.

Joseph L. Eisendrath, of 350 N. Deere Park Dr., Highland

Park, and President of Bantlirio Industries, Inc., Chicago, was elected treasurer of the new Council and Jared L. Johnson, 1733 Ashbury Ave., Evanston, and President of Chandler's is the new assistant treasurer.

The Council also elected 13 new vice presidents as follows:

Richard A. Beyer, 2320 Lawndale, Evanston; Floyd D. Cerf, Jr., 1788 Sunset Rd., Highland Park; Maurice A. Cope, 2417 Prospect, Evanston; Howard B. Franklin, 942 Timber Hill Rd., Highland Park; Clarence O. Holmes, 1045 Cleveland, Evanston; Russell A. McPadden, 700 McKinley St., Mundelein; Dr. Peter P. Nozick, 2730 Teyler, Evanston; John S. Pennell, 1203 Ashland Ave., Wilmette; William H. Rausch, 1014 Kenton, Deerfield; Donald E. Tynan, 740 Carlisle Ave., Deerfield; W. Karl Trunkbrod, 532 Dundee Rd., Glenview; Alhan Weber, 2233 Orrington, Evanston, and Robert T. Wright, Old Rockland Rd., Libertyville.

## Census Bureau Will Count Farm Workers

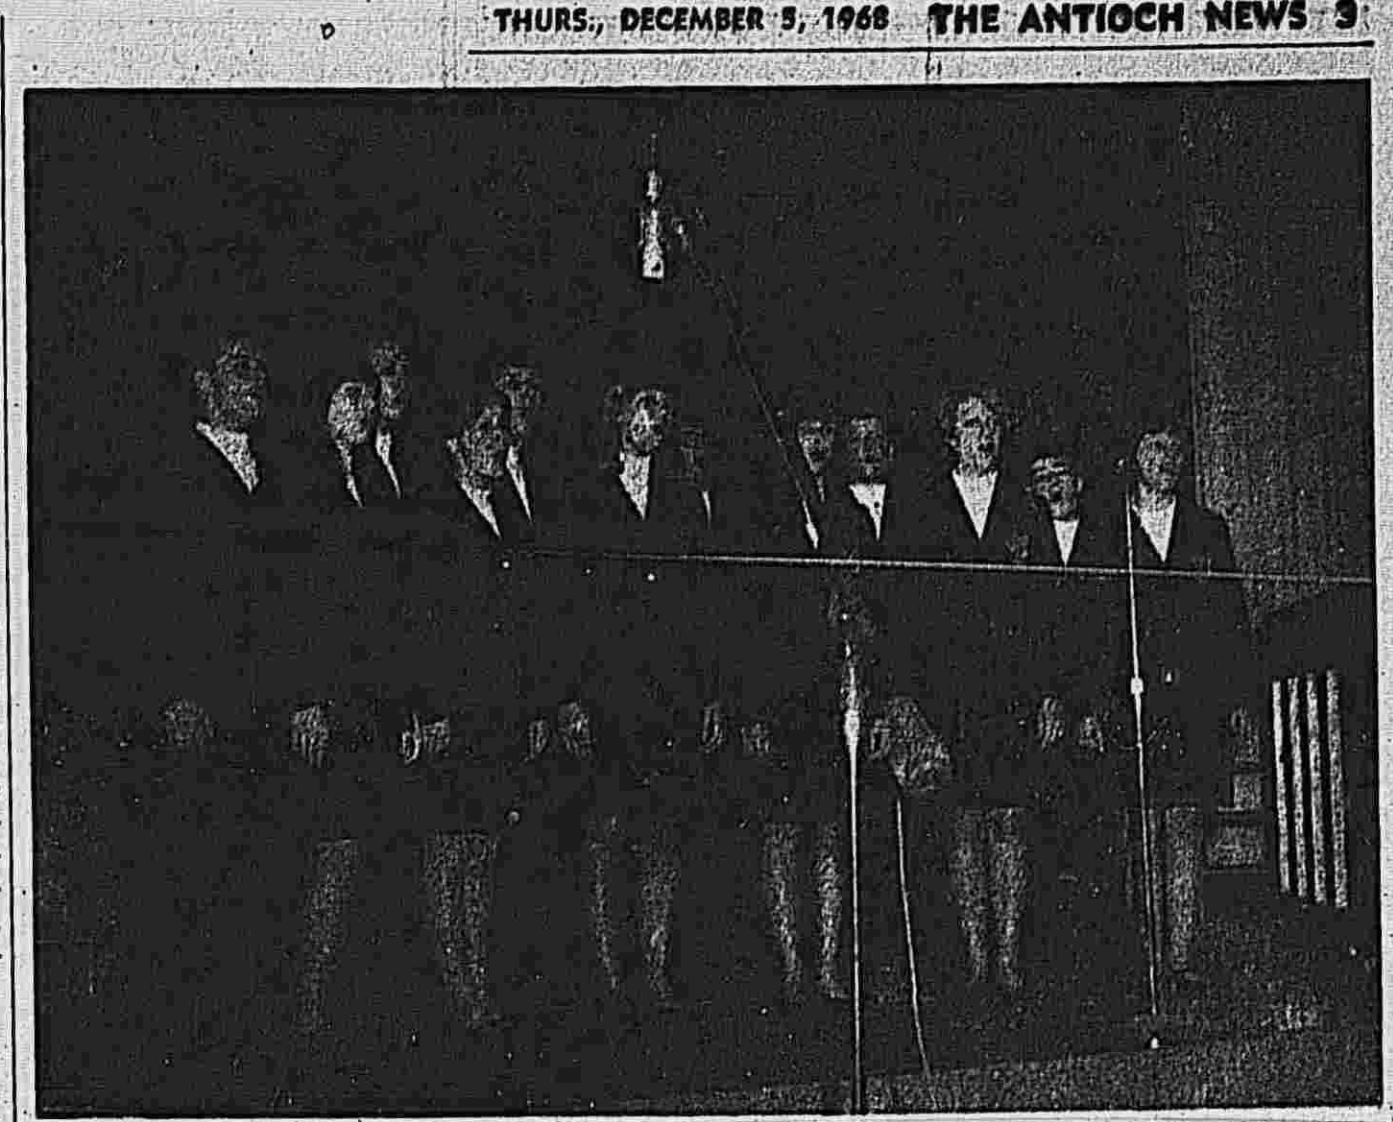

The annual Bureau of the Census national survey of hired farm workers will include households in this area, according to Director Theodore F. Olson of the Bureau's regional office in Chicago. The Director said that the Bureau's interviewers will call on local households during the week of Dec. 8.

The survey is being done in cooperation with the U. S. Department of Agriculture in order to gather information about the Nation's farm labor force. The questions about hired farm labor will be in addition to the regular monthly questions Bureau interviewers ask to obtain information about employment for the Bureau of Labor Statistics in the U. S. Department of Labor.

Questions in the hired farm labor survey will be aimed at determining the number of hired farm workers, the number of days worked during the year, wages, nonfarm work performed by farm workers, numbers of migrant and seasonal workers, kinds of work performed, fringe benefits received by workers, and average number of hours worked daily.

Households in the survey are part of a scientifically designed sample throughout the U. S. from which the Bureau collects data. All answers given by households are confidential, and the information obtained may be used only to obtain statistical totals.

One thing the scientists can't seem to get the bugs out of is fresh paint.

The Antioch High School Fine Arts Department will present its annual Christmas Vocal Concert Sunday, Dec. 15 at 8 p.m. in the high school auditorium. Three choirs will be included in the program, the Freshman's Girls' Chorus, the Girls' Chorus and the A-Cappella Choir. The Madrigal Singers, pictured here, will perform and Bernard Izzo of the Chicago Lyric Opera Co. will perform. Tickets can be obtained from members of the various choirs as well as at the door.

## Building From Scratch

"It would be like building two new Chicagos from scratch."

That was the way Lake County Regional Planning Director Nor-

## County Treasurer Rectifies Error

County Treasurer Raymond J. Sheahan today said that the name of A. J. McGreal, of Antioch, appeared in the delinquent tax rolls and should not have been included.

"The treasurer's office apologizes for this error," Sheahan said. "Mr. McGreal's name should not have been included in the list as he had already paid."

## Charter Is Issued For Bucar Memorial

Secretary of State Paul Powell today announced he has issued a charter to the Susan Bucar Memorial Foundation, a not-for-profit corporation at 395 Orchard St., Antioch.

Principal officers are Dr. Albert A. Bucar, Phyllis Bucar and Fr. A. Henderson.

man Drummond described the Administration's proposal to construct 2.6 million new dwelling units within the next ten years. Drummond recently attended a two-day seminar in Cleveland co-sponsored by the Department of Housing and Urban Development, and Urban America, Inc.

Drummond was quick to point out that new cities are not planned as such, but that the number of homes needed across the nation, if constructed at one location, would equal two large cities.

Purpose of the conference was to explore ways in which non-profit organizations and private enterprise could get together to create the dwelling units.

The planning director says a detailed study should be done in Lake County to pinpoint specific needs for low and middle income families. Citing the recent North Shore Gas Company survey, Drummond said it indicates the number of units needed in the county but does not go into actual per-family costs or how many homes should be constructed for the low income family, the middle income family, etc.

Drummond said, "The housing shortage is the number two priority development problem in Lake County today. It is closely related to the number one problem of adequate sewer facilities. This problem has its greatest impact on lower income families and service families who are

least able to compete in the housing market. This condition will continue as long as there is a shortage. Because of this, we need an action program for lower income housing."

Further, Drummond says he would like to meet with others from this area who attended the seminar to discuss possible sponsoring agencies for a project in Lake County.

## PICTURES WITH SANTA

Have an attractively framed Christmas photo of Santa and your children taken courtesy of the State Bank of Antioch . . . Saturday, December 7th. or Saturday, December 14th, 9 a.m. to 12 noon - 1 p.m. to 3 p.m. in the bank lobby.

"Serving the Lakes Region Since 1894"

FDIC

Members of the cast of The Mouse on the Moon which will be presented Dec. 6 and 7 at 8 p.m. in the Antioch High School auditorium practice their lines. Standing from left are Betty Tully, Chris Mussard, and Maurine Rooker. At the desk is Dean Homan and kneeling is Pete Leider.

## Mouse On The Moon Is Set For Dec. 6-7

Rain, sleet, hail, earthquakes, and mumps have failed to daunt the mouse in his efforts to reach the moon.

With the cast completely recovered from sore throats and mumps, the play "Mouse on the Moon" has been rescheduled for Dec. 6 and 7 at 8 p.m. in the Antioch High School auditorium.

The story concerns a country no larger than Antioch called Grand Fenwick that attempts to beat the Americans and the Russians to the moon.

It all starts with Count Mountjoy (Dave Toft) wanting to turn his little nation into a tourist center. The count asks the U. S. for an old discarded rocket casing to be used as a water tank to keep the tourists in hot water.

Meanwhile, his son Vincent (Marty Luski), returns from M.I.T. to find that the country's (and the world's) leading scientist, Professor Kokintz (Glen Morgan), has developed a secret rocket fuel.

Deciding that along with the rocket casing, some fancy shower heads from America, and their technical knowhow, the two team up to put Grand Fenwick in the space race.

But Vincent's long-time sweetheart (Gigi Palaske) has ideas about keeping him home by appealing to the nation's sovereign queen, Gloriana (the Twelfth Queen Ann Mason), and her husband, Tully (Paul Yuskas), who seem more interested in Bobolinks than the space race.

All her pleading is in vain and the voyage is put under way.

Brian Sorenson plays Cynthia's father, Benter; with Maureen Rooker, Sue Stringer, Elda Minger, Avis Minor, Pete Leider, Betty Tully, Kerrie Ellis, Charles S. Waters, Richard Small, Chris Mussard, Dawn Mindak and Janet Polsgrove.

Directing the play will be Ken Smouse.

Tickets will be sold at the door and by cast members.

Linda Nelson

## Engagement Announced

Mr. and Mrs. Wallace Nelson of Rte. 1, Antioch, announce the engagement of their daughter, Linda Eileen to Daniel Edward Matteoni, son of Mr. and Mrs. Peter Matteoni, of 1096 Victoria St., Antioch.

Both Linda and Daniel are 1967 graduates of Antioch and both are employed at Ace Hardware. A June wedding is planned.

## Lakeside Rebekah Lodge No. 82

By Del Jahneke

A School of Instructions was held at the November 20th meeting of the Lakeside Rebekah Lodge No. 82 in the Antioch American Legion Home. Mrs. Viola Vickery, Libertyville, District Deputy President, was in charge, with Miss Verna Hobler, Past District Deputy President; Mrs. Hylane Eustace, District No. 3 President, and Mrs. M. Hicks, all of Waukegan, as her assistants. The Noble Grand, Mrs. Walter Buchert, presided at the meeting.

On November 22nd, Mrs. W. Buchert, Mrs. Clarence Larson, Mrs. Charles Ferris, Mrs. John Hagen and Mrs. Anton Johnson attended the District No. 3 meeting of the Rebekah lodges, held at the Waukegan Lodge. That evening, Mrs. Ferris was elected District No. 3 Treasurer.

The Christmas Party of the Lakeside Rebekah Lodge will be held at the Antioch American Legion Home on Dec. 18th at 8 p.m. This will be a pot luck supper affair, with a \$1.00 Christmas gift exchange and party, after the meeting.

THURS., DECEMBER 5, 1968 THE ANTIOCH NEWS 4

## Legion Auxiliary

By Del Jahneke

Bright and gaily be-decked recreation rooms, resplendent with Christmas glitter, and brilliant ornaments, will adorn the Illinois Veterans' Hospitals during December. These rooms will be crammed to capacity with cuddle toys, darling dolls, games, etc. for the children; purses, perfumes, etc. for the ladies; since these articles are the annual gift of the Illinois American Legion Auxiliary for the indigent hospitalized veterans' families. The patients may select one gift for each member of their families; all at no cost to the veteran. The American Legion Auxiliary Volunteer then gift wraps the presents, with an enclosed card from the patient. The gifts are also mailed to the veteran's family by the Auxiliary. Christmas Gift Wrapping Days are on Dec. 4th, 5th and 6th, from 9 a.m. to 4:00 p.m., in the Volunteer Room, Building Four, at Downey Hospital. Every one of the nearly 900 auxiliary units in Illinois contributes to this Christmas Gift Program, including the Antioch Unit.

On December 12th, the 10th District American Legion Auxiliary will hold its annual Christmas Dance in Building Four, Downey Hospital, from 7:00 to 9:00 p.m. Each Lake County Unit is asked to furnish two dozen sandwiches; with the District Auxiliary supplying the rest of the refreshments.

Volunteers are also needed on December 11th, 12th and 13th to write Canteen Books for the hospitalized veterans. These Canteen Books enable a needy veteran to purchase small luxuries such as cigarettes, candy, etc. This project is still another contribution of the American Legion Auxiliary, and is part of their seven point rehabilitation program.

All patient Christmas parties will be on December 18th, 19th and 20th, from 9:30 a.m. to 1:30 p.m., Bldg. 4, Downey Hospital. Mrs. Frank Gates, Waukegan, District Rehabilitation Chairman, urges all auxiliary members to

attend as many of these sessions and parties as possible.

The holiday season also finds the American Legion and the Auxiliary Units throughout Illinois preparing their "Gifts to Hospitalized War Veterans" program. Originated in 1944 by the late entertainer Eddie Cantor, Illinois is the only state that has continued to sponsor this program.

In 1967, a total of \$31,139.00 was spent in giving 12,000 gifts to 10,000 men and women patients in Veterans' Administration and other Illinois hospitals. Since this program's inception, Illinois American Legion and the Auxiliary have spent in excess of one million dollars, providing holiday cheer to disabled veterans. Downey Hospital patients will be remembered on December 21st, by the 10th District Legion and Auxiliary.

"Santa" and his red sleigh, well laden with Christmas gifts for approximately 135 children in three Lake County Children's Homes, will leave the Lake Region's Legion Home in Fox Lake at 9 a.m. to make their "rounds" on December 14th. Members of the 10th District American Legion and the Auxiliary will be visiting the Allendale School for Boys, the Lake Villa Central Baptist Children's Home, and the Arden Shore Home, and leaving gifts for the children. District Child Welfare Co-Chairmen are John Jones, North Chicago, and Mrs. Ted Odum, Libertyville. The Antioch Unit Child Welfare chairman is Mrs. Walter Hills.

The Antioch American Legion Auxiliary No. 746 will hold their annual Christmas pot-luck supper party on Friday, Dec. 13th, at 6:30 p.m., at the Antioch American Legion Home. There will be a brief meeting, a Christmas gift exchange, and cards played for the member's enjoyment. The hostess chairman is Mrs. Bernard Stadick, with Mrs. Lena Message, Mrs. Estelle Gatch, Mrs. Elsie Hays, and Mrs. Nason Sibley, as committee members.

What is it that you do normally 18 times a minute, 1080 times an hour, and about 25,000 times a day —yet rarely notice? The answer: You breathe.

## Social Notes

By Del Jahneke

Mr. and Mrs. Thomas Jacobsen, Beach Grove, Mr. and Mrs. Don Rodgers, Oakwood Knolls, and Mr. and Mrs. James Ruhl of Zion enjoyed a wonderful time at the 75th birthday party of Mr. George Jacobsen of Chicago. The party was held in the Viking Room

of Nielsen's, just opposite O'Hare Airport, recently, with more than 40 friends and relatives in attendance. Mr. G. Jacobsen was the recipient of many nice birthday gifts. After the dinner party, the Tom Jacobsens, the Rodgers' and the Ruhls had a pleasant visit at the Andrew Jacobsen home in Berkeley.

The Robert H. Dunlap, Jr., family, Grass Lake, entertained the senior Robert Dunlaps, Lake

Villa, and the junior and senior Edward Jahnekes to a delicious Thanksgiving dinner with all the trimmings. Then on Dec. 1st, Bobby Dunlap celebrated his fifth birthday, with the same guests in attendance.

The Ray Rathmann family of Oakwood Knolls were dinner guests of the Norman Jasinski family of Roselle, Ill., on Thanksgiving Day. Mrs. Jasinski is Ray Rathmann's sister.

John Cadwell, left, of Libertyville, will play Tom Sawyer, and George Ramsey, Antioch, Huck Finn in the PM&L production.

## 'Treasurer Hunt' Set For 3 Performances

History repeats itself as the story of Tom Sawyer's Treasure Hunt comes to the young theatregoers in the Antioch area on Dec. 7, 8, 14, and 15.

In the 1950's Valerie Hunley played the role of Becky Thatcher, Tom Sawyer's girl friend, on network TV. Now her eleven year old daughter Robinette takes the same role in the PM&L production which has been adapted for stage by Charlotte B. Chorpennig.

Robin is a sixth grader in the Oakland school. Her debut on the PM&L stage was in The Remarkable Mr. Pennypacker in 1967, but this is her first starring role. She is a blonde like her mother and observing pictures there is a remarkable resemblance between the two Beckys.

Valerie is directing the play which is Palette, Masque, and Lyre's fifth annual children's production. The Elves and the Shoemaker was such a success that each year she has taken the time (of which it takes much) and the effort (of which it takes a momentous amount), and Elbertygibbet, Rumpelstiltskin, and Heidi unfolded before the eyes of hundreds of children.

The two young male leads in the play are John Caldwell from Libertyville as Tom Sawyer and George Ramsay from Antioch as Huck Finn. From red hair to freckles these urchins play their parts well.

Shirley Jensen from Antioch is at her best playing character roles and here she is the unforgettable Aunt Polly. Gary Richter from Antioch has played many roles, but this is his first experience as an Indian-Injun

Joe by name. Other cast members are Josef Hunley, Bill Sershon, Joanne Apostol, Mary Palaske, Gerri Duncan, Robert and Robin Lindblad, Rich Nolan, Kathy Laursen, Robert Hunley and Greg Miceur from Antioch.

Pat Wellman and Carol Brandy are from Mundelein, Robert and Leslie Holiday from Lake Villa, Terri Lisk from Lindenhurst, and Don Beveroth from Paddock Lake, Wis.

Tickets are now on sale and reservations may be made by calling Fran Walpole 395-3554 or may be purchased at the box office.

Curtain time is 2:30 p.m. on Dec. 7, 14, 15. A special evening performance will be at 7:30 p.m. on Dec. 8. All performances are at the PM&L Theatre, 877 Main St., Antioch.

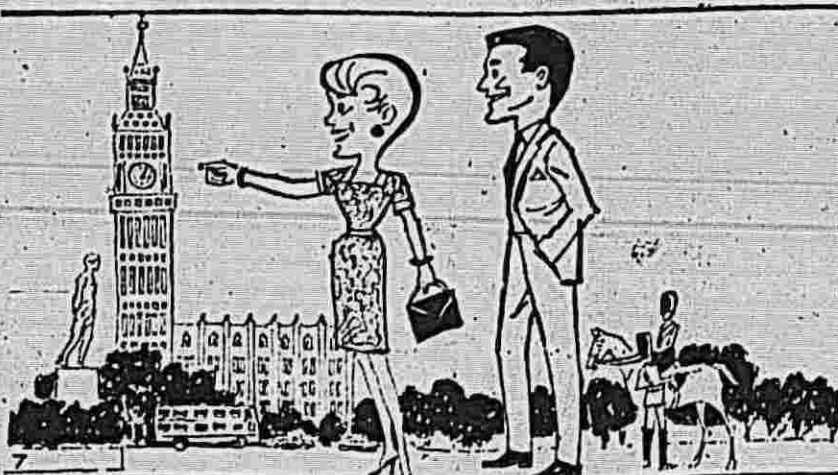

## CO-OP TRAVEL CLUB TRIP

The Co-Op Travel Club will enjoy a "Holiday Happening" on Sunday, Dec. 15th, when they journey to Milwaukee to visit the Christmas Flower Show at Mitchell Conservatory. They will then have dinner at Nino's. For reservations call Florence Arlington at 336-0829 after 3:30 p.m.

Illinois does not impose State taxes on real estate or personal property. (Has not done so since 1932). Illinois does not levy an income tax on either corporate or individual incomes.

Illinois has 122 institutions of higher education (only three States have more colleges and universities).

## For pennies a Roper gas oven will clean itself.

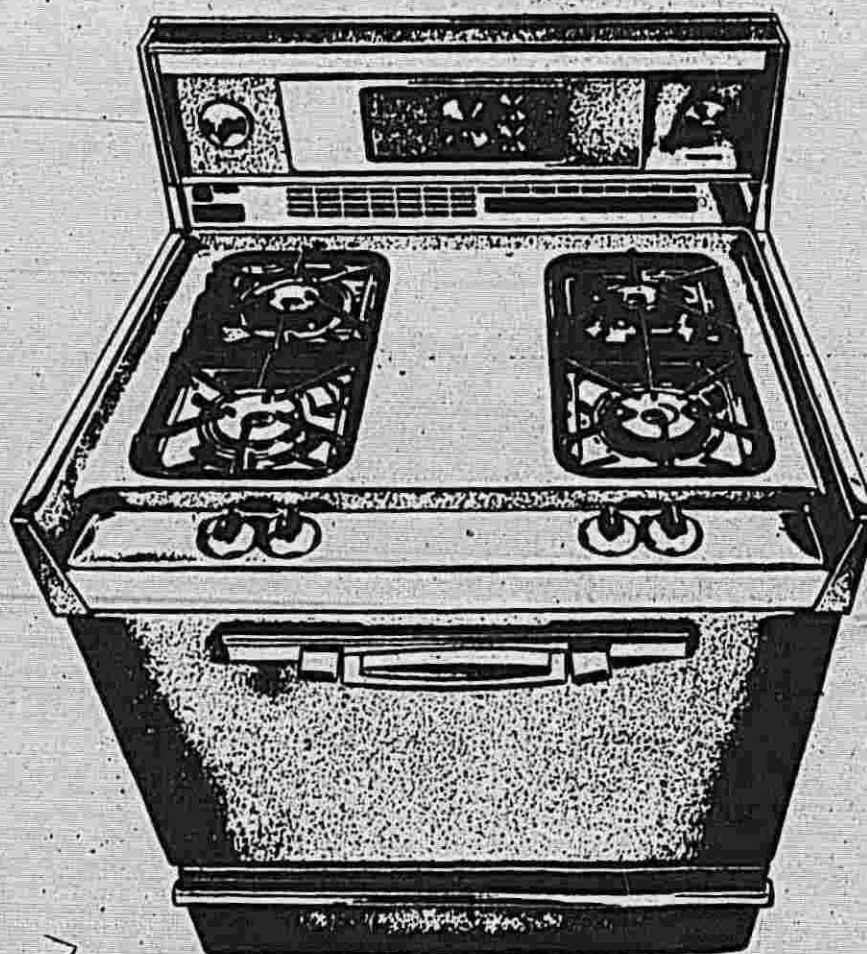

Even before inflation, nobody ever did such a messy kitchen job for that kind of money. Flick on the controls, and forget it. The oven does the rest. Automatically. In half the time it takes the expensive electric kind.

If thrift doesn't turn you on, how about the remarkable range a gas self-cleaning oven comes in? It alone gives you precision-controlled top-of-stove cooking.

And gas infrared broiling. The one way to get foods appetizingly brown in quick-cook time.

Make a cook's tour of your Northern Illinois Gas Company office or appliance dealer. See why the self-cleaning ovens that work for less money come in the ranges that are the choice of the highest-paid chefs.

**Northern Illinois  
Gas Company**

Joseph F. Blahut, 912 W. Hayden Drive, Whispering Hills, McHenry, was the first customer to purchase his 1968 auto license plate from Jim Bloss, right, of the State Bank of Antioch. The State Bank is one of 87 throughout the state authorized to sell the plates by Secretary of State Paul Powell and only the second bank so authorized in Lake County. Special windows have been set aside at the bank to handle the sales.

## MOOSE TOPICS

By Lillian Birdsall

Attending the Legion Ceremonial which was held at the Kenosha Moose Home on Sunday, Dec. 1, from Antioch were the following: Mr. and Mrs. Scotty Birdsall, Mr. and Mrs. Arthur Andersen, Mr. and Mrs. Al Justice, Mr. and Mrs. Gene Hanner, Jerry Stoken and Ed Kurtz. New members enrolled into the Winner Legion on this day from Antioch were William J. Dougherty and Ed Weigel, both sponsored by Scotty Birdsall, Thomas Loveless sponsored by Ed Kurtz. From Waukegan there were Charles Wiertz, sponsored by John Malec, Jr., and Jess Foster by Tom Nelson. From Kenosha, Donald Ruby, sponsored by Lewis Elliott, and Richard Carr by Leon Dodge. From Racine, there was Arthur Schweitzer, sponsored by Leland Giese. Following the enrollment the visiting ladies were all invited in to the meeting where they were visited by Santa Claus who presented each one with a gift.

North Moose, Gene Hanner reminded everyone present of the Legion breakfast which would be served at the Racine Moose home in February and for everyone to be sure to watch the Rose Bowl Parade to see the float that the Legionnaires of Moose sponsored. A family style dinner was served to all members following the meeting.

The Antioch Moose Hunt Club held a meeting at the Moose Home Friday evening with 10 members present. It was agreed to purchase 50 more birds and to release 10 which was done for Thanksgiving. Harold Klemperer, secretary - treasurer announced that there was still one opening left for anyone who wanted to join the Hunt Club. The only qualification is that they must be a member of the Loyal Order of Antioch before they can apply. Anyone who would like to join can contact Harold at the Moose Home. The Hunt Club members are allowed to invite two guests to hunt with them during the week days only. No guests are permitted on weekends or on holidays. The next meeting for the Hunt Club will be held on Friday evening, Dec. 27, at the Antioch Moose Home. Members are reminded to bring their wives along because arrangements have been made for their entertainment while the Hunt Club holds their meeting.

The Country Style music makers supplied the entertainment for members following the enrollment ceremony held at the Antioch Moose Home, Saturday evening, Nov. 30. Enrolled as new members were Ray Reed of Antioch, sponsored by Jerry Stoken and Robert Beamer of McHenry, sponsored by Ron Polson. A smorgasbord prepared by the Women of the Moose was served to all members present. The next enrollment for the Loyal Order will be held on Sunday morning, Dec. 15th, with the serving of breakfast at 9 a.m. All members are invited to attend.

Congratulations are in order for Mr. and Mrs. Robert Anzinger on the birth of their daughter, Candace Lynn, born at the McHenry Hospital on Nov. 13. Baby weighed 7 lbs. at birth. Both Sandy and Bobbie, welcomed their new sister into the household. The grandparents, Mr. and Mrs. Preston Stoken reside in Wilmet.

Also to be congratulated are Mr. and Mrs. Robert Anzinger on the birth of their daughter, Dianne Frances born at Woodstock Memorial Hospital on Nov. 25th. Baby weighed 8 lbs. 2 oz. at birth and has a sister named Deborah. Grandparents are Mr. and Mrs. Earl Cooper and Mr. and Mrs. Joseph Anzinger.

It was very nice to see Hallie

Born pay a visit to the Moose Home after her very long illness. Hallie is progressing very well after suffering from a severe heart attack a year ago in November at the Moose Home.

## Where The Boys Are

Seaman Apprentice Roderick P. Landt, 18, USN, son of Mr. and Mrs. Rod Landt, 112 N. Fairfield Rd., Lake Villa, has been graduated from the nine weeks of Navy basic training at San Diego. In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or shore station.

Louis F. Portalski, Jr., 23, of Rte. 3, Antioch, has been promoted to Army Sergeant near Eschborn, Germany, while serving with the 317th Engineer Battalion.

Sgt. Portalski is an assistant squad leader with the battalion's Co. A. He entered the Army in September 1963 and completed basic training at Ft. Knox, Ky., and arrived overseas in March 1966.

He attended Antioch High School.

## Pat Lombardo Sorority Pledge

Pat Lombardo, daughter of Mr. and Mrs. Sam Lombardo, 251 Maplewood Drive, Antioch, has pledged to the Phi Omega Sorority on Eureka Campus, Eureka Illinois.

## KEY TO SUCCESS

FORREST CITY, ARK., Times-Herald says: "A publisher friend of ours told of an interesting conversation he had overheard between two businessmen. They were discussing a possible remodeling project. The first offered this 'key to success' to the second: (1) Modernize. (2) Merchandise, and (3) Advertise. It's a good formula. Merchants in any community who have modernized their buildings will tell you that the projects have paid dividends. Merchandising is a word that covers a lot of ground. It's more than just putting goods on a shelf and expecting the public to come in and buy. It's having the right merchandise, at the right price, attractively displayed, and offered by friendly, courteous sales people. And advertising is essential. You'll not find a single retailing success story where advertising has not played a part."

## GOOD CITIZENS BUILD BETTER COMMUNITIES

Citizenship involves more than casting a ballot, attending a civic club meeting, and obeying the law. Citizenship means: wholehearted, day-to-day support of both government and the civic and philanthropic agencies which work for community improvement.

(Name of agency or project) benefits your community and—directly or indirectly—benefits you and yours. And your help is appreciated, needed and deserved.

Help, won't you?

## Death Notices

**ANNA MARIE HOOK**  
Anna Marie Hook, 77, of Rock Lake, Trevor, Wis., died Friday, Nov. 29, at the home of her daughter near Antioch, after a three week illness.

She was born July 29, 1891 in Washington, Ind., and had lived in Chicago for many years until moving to Rock Lake 12 years ago.

She was a member of Holy Name Church in Wilmet, Wis. She was preceded in death by her husband, Edwin Hook in 1929. Survivors are two daughters, Mrs. Robert (Florence) Markwart, Antioch, Mrs. Robert (Helen) Repke, Morton Grove; five grandchildren and one great-grandchild.

Services were held Monday, Dec. 2, at 1:00 p.m. in Holy Name Church, Wilmet, Wis. Interment was in Holy Name Cemetery.

**PRESTON J. RECKERS, SR.**  
Preston J. Reckers, Sr., 69, of Channel Lake, near Antioch, died Thursday morning at his home from smoke inhalation, when his home caught fire.

He was born August 11, 1899, at Dayton, Ky., resided in Chicago before moving to Channel Lake in 1944.

He had worked as head assigner for the Illinois Bell Telephone Company for 47 years and retired five years ago. He was a member of the Waukegan Chapter of the Telephone Pioneers.

He married Marjorie C. Erickson on Feb. 12, 1927 in Chicago. Survivors include his wife Marjorie, three sons, Preston J. Reckers, Jr., Antioch, Norman Reckers, Rancho Cordova, Calif., and Albert Reckers, Mt. Vernon; one daughter, Mrs. Alan (Marjorie) Berreiter, Wheeling, and 14 grandchildren.

Services were held at 3 p.m. Saturday in the Strang Funeral Home, Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated.

## WILLIAM B. MURRAY

William B. Murray, 46, of Felter's Subdivision near Antioch, died at 4:10 a.m., Thursday, in Victory Memorial Hospital after a short illness.

He was born May 2, 1922 in Chicago and moved to Antioch in 1959. He was a tool and maker working for Superior Tool Co. in Antioch.

He married Theresa Lambert Feb. 7, 1959 at Oak Park, Ill.

Survivors are his widow, Theresa; one son, William A. Funeral services were held at 10 a.m. Monday at the Strang Funeral Home in Antioch. Rev. Wilton Anderson of St. Stephen's Lutheran Church officiated. Interment was in Acacia Park Cemetery, Chicago.

## PAUL PORTWICH, SR.

Paul Portwich, Sr., 71 years old of Grass Lake, near Antioch, passed away at 6:30 a.m. on Wednesday, Dec. 4th, at his home from a heart attack. He was born April 14, 1897 in Germany and came to America in 1924 to reside in Chicago until moving to Antioch in 1937.

He had worked as chief engineer at the Standard Club at 320 Plymouth Court in Chicago until his retirement in 1963. He married Meta Kunert on Dec. 9, 1922 in Germany.

Survivors are his widow, Meta, one son Paul Portwich, Jr., one daughter, Mrs. George (Doris) Pierce, Antioch, and five grandchildren.

Funeral services will be held at 3:00 p.m. on Friday at Strang Funeral Home in Antioch. Rev. Wilton Anderson of St. Stephen's Lutheran Church will officiate. Interment will be in Grass Lake Cemetery. Friends may call at the Strang Funeral Home after 3:00 p.m. on Thursday.

## MRS. LELA MAE FORD

Mrs. Lela Mae Ford, 42, of 911 1/2 Main St., Antioch, died at 9:23 p.m. Tuesday, Nov. 26th, in Victory Memorial Hospital.

She was born Sept. 27, 1926 in Booneville, Miss., and moved to Antioch in 1951.

She held membership in the First United Pentecostal Church at Booneville. Mrs. Ford worked as a nurses aid for one year at Condell Memorial Hospital. She married Nomer Ford in July 1944 at Thomasville, Georgia.

Survivors are her husband Nomer W., two sons: Jerry W., U.S. Army, Marleen D., at home; her mother, Mrs. Rosalee Outlaw, Booneville, Miss.; two brothers, Blanton Outlaw, Mundelein, Hercl Outlaw, Baldwin, Miss.; one sister, Mrs. Jimmie (Doris) McMillan, Booneville, Miss.

Services were held in the First United Pentecostal Church at Booneville, Miss., with Brother Sanford officiating. Interment was in Lebanon Cemetery. Local arrangements were made by the Strang Funeral Home in Antioch.

## MRS. LILLIAN E. WOODS

Mrs. Lillian E. Woods, 68, of Spring Grove, died at 11:30 p.m. Tuesday, Nov. 26th, at McHenry Hospital. She was born Feb. 9, 1900 at Chicago and resided there until moving to Spring Grove in 1941.

She was a member of Antioch Chapter No. 428 of the Order of Eastern Star (and served as Electa)—also a member of the Indian Portage Post No. 3592 of V.F.W., where she held membership for 20 years.

She married James M. Woods on June 14, 1917 at Chicago and he passed away on Feb. 20, 1950. She was preceded in death by a brother, John Erickson on March 4, 1931 and a sister, Mrs. Edna Master on June 3, 1966.

Survivors are one daughter, Mrs. Anton (Lorraine) Deutsch of Spring Grove; two brothers, William Carlman and Henry Erickson, both of Chicago; two grandchildren.

Services were held at 10 a.m. on Saturday, Nov. 30, in the Strang Funeral Home, Antioch. Rev. Mark L. Holmer of All Lutheran Church officiated. Interment was in Arlington Cemetery, Elmhurst.

## MRS. ALICE HARVEY

Mrs. Alice Harvey, 77, of Little Silver Lake near Antioch, died at 1:20 p.m. on Friday, Nov. 29th in Terrace Nursing Home at Waukegan after being ill since March, 1968.

She was born Dec. 14, 1891 in Pulgloss, Louisburgh, County Mayo, Ireland. She came to America in 1907 to reside in Chicago until moving to Antioch in 1933.

She was a member of St. Peter's Church and Altar and Rosary

Society of that church. She had been employed at Pickard, Inc., for several years. She was preceded in death by two brothers, John McDonough and Pat McDonough and three sisters, Mrs. Mary Golden, Mrs. Ann Gallagher and Mrs. Jane Lynn.

Survivors are a son, James Harvey, Antioch, two daughters, Mrs. Alice Fearon, Lyons, Mrs. Walter (Margaret) Speidel, Brookfield; a sister, Mrs. Patrick (Bessie) Mostyn, Chicago, four grandchildren and one great-grandchild.

A funeral mass was held at 10 a.m. Tuesday at St. Peter's Church in Antioch. Interment was in All Saints Cemetery at DesPlaines.

## HENRY R. SIEVERT

Henry R. Sievert, 74 years old of Paddock Lake, Wis., passed away at 1:30 a.m. on Sunday, Dec. 1, 1968, at Hillcrest Nursing Home at Twin Lakes, Wis., after a lingering illness. He was born May 18, 1894 in Peoria, Ill., and had resided in Chicago until moving to Paddock Lake in 1957.

He was a retired engineer having worked for many years as a flat janitor in Chicago, and had spent from 1940 until his retirement in 1954 at 3500 Lake Shore Drive. He held membership in the Chicago Flat Janitors Union No. 1, and Schultz-Hahn American Legion Post No. 293 at Silver Lake, Wis. He married Caroline H. Church on Dec. 24, 1921 in Chicago.

His only survivor is his widow, Caroline.

Funeral services were held at 1:00 p.m. on Wednesday at the Strang Funeral Home in Antioch. Rev. A. W. Dumke of the Twin Lakes Congregational Church officiated. Interment was in Glen Oak Cemetery in Chicago.

## Committee Recommends Council Consolidation

A consolidation of the Evanston and North Shore Area Councils, Boy Scouts of America, has been recommended by the Executive Boards of the two Councils.

The proposed consolidation would consolidate into a single jurisdiction all Boy Scout activities of northern Cook County and all of Lake County, with the exception of Waukegan, North Chicago and Zion.

Currently, the Evanston Council serves 2400 boys in Evanston and northeast Skokie, and the North Shore Area Council serves 10,500 boys in 44 Cook and Lake County communities.

William J. Neill, 2401 Pioneer Road, Evanston, President of the Evanston Council, and Carl W. Vorreiter, 522 Washington, Wilmette, President of the North Shore Area Council, reported that the consolidation has been recommended by a special committee of community leaders throughout the area who have studied the proposal for more than six months.

Both Executive Boards approved the joint committee recommendations for the consolidation by large majorities at recent meetings.

To become effective, the consolidation will have to be approved by each of the local Councils involved. These are made up of Institutional Representatives and Members-at-Large.

A joint meeting of the two local Councils has been scheduled for 8 p.m. on Monday, Nov. 25, at the Locust Junior High School, 620 Locust, Wilmette. At this meeting all local Council members will be given full opportunity to ask questions and to make comments

about the proposed consolidation. Each Council will meet separately to vote on the proposal.

Neill and Vorreiter pointed out that the consolidation would centralize administrative facilities, thus permitting more field work by the professional staff members. This would permit greater priority to be given to underserved areas and local activities, and is expected to generate more volunteer manpower for leadership programs. At present, about 1100 men in the Evanston Council are serving in various volunteer leadership capacities. In the North Shore Area Council, the number of volunteer leaders in the program is in excess of 4100.

## THE ANTIOCH NEWS 5 THURS., DECEMBER 5, 1968

Another plus resulting from the consolidation, the two Council Presidents said, would be better utilization of camping facilities of the Councils. The Evanston Council has two camps on 361 acres of land. The North Shore Area Council has six camps on 1700 acres of land. Last summer a total of 1,850 boys participated in the camping program of the two Councils.

Ray L. Whittaker is the Executive of the Evanston Council and Alwyn A. Hughes is the Executive of the North Shore Area Council.

Illinois' personal income in 1967 exceeded \$40 billion. Its per capita income for this year is \$3750, third highest among the 50 States.

## Urge Doctor Bill Signup In Medicare

Bernard Barnett, social security district manager in Waukegan, today urged everyone signed up for the doctor bill insurance part of Medicare, to spend some time between now and the end of the year in reviewing whether the program owes them some money.

He said that this is most important for those older people who incurred expenses for covered medical services between Oct. 1, 1966 and Sept. 30, 1967. If a claim isn't made for reimbursement of these expenses by Dec. 31, 1968, it will not be possible to make payment.

Barnett pointed out that, in the past, some Medicare beneficiaries postponed making a claim because they thought that if the doctor declined to take an assignment, the patient had to submit a receipted bill with the application for reimbursement. Unable to supply evidence of having paid the doctor or medical supplier, they failed to file a claim, he added.

"These people are in danger of shortchanging themselves," Barnett said. "The 1967 amendment

to the Medicare law eliminated the requirement that a bill submitted to a claim must be a receipted bill to show that it was paid in full or in part. Starting in 1968, an itemized bill showing the services or medical goods received and the charges for these, even if unpaid, became sufficient.

He reminded those older people over 65 in the Lake and McHenry County area who have signed up for the voluntary medical insurance, that Medicare pays for 80 per cent of the reasonable charges of the covered services and medical goods, less an annual deductible of \$50 that the patient must pay.

If the expenses in the last three months in any year do not come up to the deductible, they can be carried over to the following year to reduce the deductible for that year.

All social security offices are prepared to help people make claims for doctor bill insurance payments. Those who still haven't applied for reimbursement for medical goods and services received between Oct. 1, 1966, and Sept. 30, 1967, must apply before Jan. 1, 1969, or it may be too late.

Anyone wishing speedy efficient service in the district office must bring the itemized bill from the doctor, or supplier of medical goods, or his Medicare card.

The Waukegan office is open each weekend from 8:45 a.m. to 4:45 p.m. Also open each Monday night till 8:00 p.m.

## I.D. Tags Help

"A lost dog wearing a shiny individualized I.D. tag on his collar has a better chance of being returned to his master," claims The Animal Protection Institute of America, a national humane society based in Sacramento, California.

The idea behind a special tag, is to provide quick reference for an individual who finds him, as well as for public pounds or shelters. The owner's name, address and telephone number, and the animal's name are imprinted on the tag.

The Animal Protection Institute has arranged with a California manufacturer to produce engraved stainless steel tags for \$1.00, and gold-plated tags for \$1.50 each.

## Doctors Seek Med. Care Improvement

CHICAGO — Illinois physicians have called for sweeping changes to improve medical care for all classes of people in the state.

In an opinion survey sent to all 10,500 members of the Illinois State Medical Society, a majority of those responding want to:

1. Cooperate in full weekend schedules in hospitals wherever these facilities can be arranged;

2. Develop and participate in rotated schedules to assure availability of physicians on Wednesdays and Thursdays;

3. Volunteer their services in medically deprived areas, such as urban ghettos.

"The feeling on this and other questions clearly reflects the eagerness of Illinois physicians to take self-reliant, vigorous and humane action against the health problems of our day," said Dr. Frank J. Jirka, Jr., chairman of the ISMS Board of Trustees, which authorized the survey.

He said the Board of Trustees and ISMS House of Delegates would consider implementing the steps favored in the survey. "The results will be a guideline on many legislative, socio-economic and professional issues that have reached a new urgency."

The survey reflected a widespread desire to hold down fees and make health-care cost less burdensome to patients, the board chairman said.

One cost-cutting idea—endorsed by 58 per cent—would be the growth of medically controlled group practices offering a whole range of specialties under one roof.

Eighty-five per cent favor rebates on federal income taxes to help persons under Medicare age 65—buy broader health-insurance protection. The rebates would be graduated according to ability to pay. This proposal was launched at the American Medical Association's convention last May in San Francisco.

For example, if a family of four had a normal tax liability of \$500 and its annual premium for comprehensive health insurance were \$350, the tax payment could be cut to \$150. If the normal liability of a family of four were \$1,000, the credit on a \$350 annual premium might be 30 per cent, or \$105, thus trimming the tax payment to \$895.

An overwhelming 93 per cent said their profession should make a "concerted effort" to broaden the benefits of private health insurance for ambulatory patients—that is, hospital patients not confined to beds.

The survey also asked what can be done to ease the physician shortage in the immediate future.

Eighty-one per cent favor government grants to newly graduated physicians who agree to practice a certain number of years in medically deficient areas. A medical school official in Winston-Salem, N. C., recently proposed a \$100,000 tax-free bonus for five years' service in rural areas needing doctors. But no specific figures were mentioned in the ISMS questionnaire.

Ninety-three per cent said doctors and hospitals should take intensified action to sponsor and coordinate health facilities where care is lacking.

As a way of curtailing welfare programs, 82 per cent favor a guaranteed annual "work" plan that would enable each employable family breadwinner to earn \$3,200 a year. The physicians strongly oppose a guaranteed annual income not based on work, however.

Eighty-three per cent favor government-backed private loans to encourage qualified residents of poverty-stricken areas to develop

their own enterprises and opportunities.

Prevention of crime was another issue—particularly crimes committed by ex-convicts. Ninety per cent of the doctors want state legislation requiring neuro-psychiatric examination of prison inmates prior to parole.

"We believe more could be done to detect the emotionally sick and dangerous men who are in our prisons, and keep this danger from walking the streets," said Dr. Jirka.

The survey had some bad news for "hippies." The doctors oppose reduction of Illinois' first-offense penalties for possession of marijuana (52 per cent voted "no") and psychedelic drugs (64 per cent "no"). These penalties now are 2 to 10 years' imprisonment for marijuana, and up to one year for psychedelic drugs.

Dr. Philip G. Thomsen, Dolton, ISMS president, will review the survey results in speaking engagements throughout the state this fall.

## Housing Needs Are Acute

Director Norman Drummond of the Lake County Regional Planning Department was in Cleveland, Ohio Thursday and Friday, Nov. 21-22, attending a seminar on housing.

The Cleveland session was the last of five regional meetings scheduled this year under the sponsorship of Urban America, Inc., and the U. S. Department of Housing and Urban Development.

Surveys indicate there is a need for six million homes across the nation in the next decade. One reason for the seminars was to explore new forms of partnership between non-profit organizations and private enterprise to create the dwelling units.

Lake County's projected housing needs, as brought out in a recent survey conducted by North Shore Gas Company, are staggering.

It has been calculated that as of the first of this year there was a shortage of up to 14,800 units. Taking population growth into consideration an additional 34,932 dwelling units will be needed by the end of 1972.

## GI Benefits Available To Widows

For the first time, Veterans Administration education and training benefits are available to widows of men who died—and the wives of veterans totally and permanently disabled—as the result of military service.

In Illinois, an estimated 15,000 widows and wives could benefit from Public Law 90-631 which was signed by President Johnson Oct. 23 and becomes effective Dec. 1, according to John B. Naser, manager of VA's Regional Office in Chicago.

The new legislation extends to eligible wives and widows the same VA educational assistance now available to sons and daughters of veterans who died or are permanently disabled as a result of military service, Naser explained.

Payments will range from \$130 a month for full-time training (up to a maximum of 36 months) to \$55 for three-quarters time training and \$60 for half-time training.

The new law also gives veterans separated from service after Jan. 1, 1955, one and a half months of education and training entitlement under the current Post Korean GI Bill for each month of military service, after January 31, 1955. This is a change from the present ratio of one month of entitlement for each month of service.

Unchanged, however, is the maximum of 36 months of entitlement.

Under another provision of the new law, veterans with 18 months or more service after Jan. 31, 1955, who have satisfied their military obligation, will be entitled to 36 months of VA educational assistance.

Other provisions are: Increase from 36 to 48 months the aggregate period for which a veteran may receive educational assistance under two or more veteran benefit programs.

Authorize the payment of the VA allowance to veterans in flight training on a monthly rather than a quarterly basis.

Permit three-quarters and half-time farm cooperative training with proportionate reductions in the VA allowance paid for such training. Currently, a veteran employed in related agricultural work who is enrolled in farm cooperative training must take a minimum of 12 clock hours of institutional agricultural courses a

Kreiger, Sr., Bernice Conrad, Mr. and Mrs. Arnold Schulmeister, John Brennan, Antioch Drugs, Frank Wiczorek, Carl A. Stefan, Mr. and Mrs. Floyd Lubeno.

week. The new law authorizes VA benefits for nine and six hour schedules.

The monthly average of veteran trainees taking three-quarter or half-time institutional farm cooperative training is estimated at about 18,000 in the nation.

Naser said that VA estimates some quarter of a million widows and eligible wives can qualify at this time for education and training. Something like 9,000 a month are expected to enter training in the first year.

Cost of the new law in the first year is placed at \$71 million.

The Belton, Texas, Journal facetiously writes: "My advice to young men deciding on a career is to avoid the businesses and the professions and go into poverty. That's where the big money is."

Wife, to aspiring politician: "How was the applause after your speech?" Husband: "It sounded like a caterpillar in sneakers romping across a Persian rug."

## Make Sure You Have Green Light

In the past 15 years, half of the knowledge gained since the beginning of time has been accumulated. It would be a good idea to apply some of this to driving, and you can be an expert if you know the rules of the road and follow them.

One of the worst mistakes a driver can make is to move into an intersection with the yellow, reminds the Lake County Safety Commission. If you want to keep out of traffic trouble, obey traffic signals, keep your mind on your driving and start up when the light turns green if you have the right of way. The green light does not mean that you can enter an intersection in competition with another car because no one ever has the right of way if the accident in the making could be prevented.

Use extra caution and look both ways before starting on the green light in urban or rural traffic is signalized. Make sure no cross traffic is coming through against the light or those who cheat on the light to beat the red. It is better to be right than dead.

In metropolitan or in rural traffic keep a safe following distance. Under normal conditions one should allow a car length for every ten miles an hour of speed. Allow greater following distance when conditions are bad.

The smart driver checks to the rear before pulling into the left

THE ANTIOCH NEWS THURS., DECEMBER 5, 1968

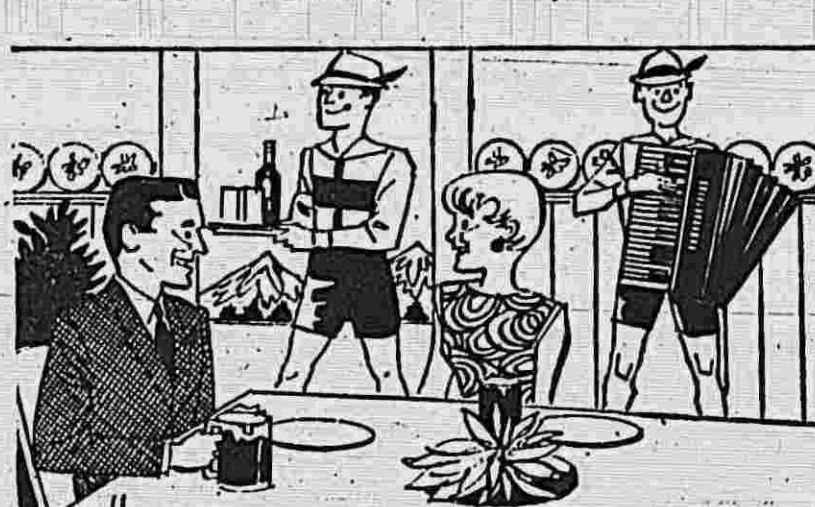

lane after signaling to make a passing maneuver. He wants to be sure no one is trying to pass him. There's always a blind spot where a following car can hide. Darkness doubles traffic troubles and the fact is that in the hours of darkness your chances of being killed or injured in a traffic crash are more than doubled, reports the Lake County Safety Commission. THINK SAFETY.

## Shapiro To Join Law Firm

Gov. Samuel H. Shapiro told a news conference that after he relinquishes the reins of state government he will join as partner the Chicago law firm of Friedman, Koven, Salzman, Koenigsberg, Specks & Homer. Effective Jan. 15, 1969, two days after inauguration of the new governor, the firm will be known as Friedman, Koven, Shapiro, Salzman, Koenigsberg, Specks & Homer.

Shapiro, who has a law office in Kankakee, said he will maintain homes in Chicago and Kankakee. He began his long career of public service in Kankakee where he was city attorney and state's attorney of Kankakee County, moving on to serve 14 years in the state legislature, 7½ years as lieutenant governor, and, since May 21, 1968, as governor.

## What's a year's worth of electric heat cost?

## Hint: Think small.

The fact is, electric heat costs have come down so much in the last ten years, that sometimes it surprises even us. Of course, we've done our best to help, by lowering electric rates dramatically during that period.

Actually, you pay about \$200 a year for electric heat in a typical six-room house with proper insulation—the kind most people buy.

It all boils down to the fact that you don't have to make a lot of money to have electric heat in your home.

So don't be surprised if someday we say "Think tiny."

## Sequoits 2nd At Barrington

The winner of the tournament, Batavia beat the Antioch Sequoits on Wednesday evening 80-78. The Batavia club lead the whole game by 6 to 8, but in the fourth quarter the Sequoits closed the gap—mainly on the shooting of Dave Camp. The Sequoits were hurt in this game by foul trouble as Steve Owens and Jim Carlson fouled out early in the game.

Rodney Boswell led the team in scoring and also was the top rebounder with 9 rebounds.

In an offensive game, the Sequoits nosed out Barrington 80 to 76 last Friday evening. It was a real battle with the Sequoits trailing most of the way. The team as a whole played well and Keith Bolton had a great game, as he led the team in scoring with 25 points and 18 rebounds.

Barrington jumped off to a 12 to 4 lead early on 4 baskets by Brown, but at this point Jim Carlson took over the job of defense and held Brown to 3 baskets the rest of the game.

While this was going on, the Sequoits kept working on the lead and in the fourth quarter finally overtook Barrington. Bolton led the surge with 14 points in the fourth quarter. Dave Camp again distinguished himself as a good defensive player, floor leader and scorer. Jerry Martin and Rodney Boswell played fine, steady basketball.

The final game in the tournament for the Sequoits proved to be a success as they defeated a stubborn Mundelein team 63-60.

The Sequoits displaying some excellent basketball discipline—played a near perfect first half. They were very good on defense, ran their offense well and some fine shooting by Dave Camp 8 for 10 enabled them to lead Mundelein 35-26 at half time.

Late in the third quarter all forms of control went out the window as Mundelein rallied on the

### 3 Sequoits Win Honors In Tourney

Two Antioch players placed on the first team of the all tournament team at the Barrington Turkey Day Tournament over Thanksgiving.

Dave Camp and Keith Bolton made the top honors while Rodney Boswell placed on the second team.

"We are extremely proud of our boys who made the all-tourney team," Coach Roger Andrews said. "They justly deserve this fine recognition as they played a fine brand of basketball."

Coach Andrews said the tournament was a success as it gave Antioch three games of stiff competition and by winning two games the team gained self confidence.

The Northwest Suburban Conference play will begin Friday against Warren—there.

"They are one of the top teams in the league," Andrews said, "and we need to be ready. This I am sure we will be."

### Fewer Deer Taken In November

Hunters bagged 6,093 deer during the first half of the 1968 season, the Illinois Department of Conservation reported. That portion of the season began November 22 and ended November 24. The second half of the season is from December 6 through December 8.

The kill was 493 fewer animals than were harvested during the first four days of the 1967 season but it is 153 more deer than were taken during the first portion of the 1966 season. Last year's season was a continuous six days whereas the 1966 season was divided.

The sophs also carried the day by a score of 48 to 8 but the frosh ran into bad luck and went down to defeat by a 35 to 25 count.

Antioch varsity winners were Larry Wells, 103 pounds; Wilfred Wells, 112 pounds; Gary Aerne, 120 pounds; John Prossie, 127 pounds; Terry Triplett, 138 pounds; Paul Lulofs 145 pounds; and Lou Elsen, 180 pounds.

### Pre-Holiday Shoot Is Scheduled

The McHenry Sportsmen's Club has scheduled a special pre-holiday heavyweight Turkey Shoot Sunday, Dec. 8th at 11 a.m.

As a special treat for the faithful shotguns who attend king size tom turkeys weighing in at 20 pounds and more are the top prize shooters will aim for this once-a-year event. To dull the pain of defeat, the lowest scoring gunner will win a plump, young chicken.

Also on the prize bill of fare is the popular Hi-Lo-White Bird Shoot, in which the high scoring gunner wins a tender-aged JoPat steak, while the lucky-nimrod who bags the white target, and the one who breaks the least clay birds wins a chicken each. Double, triple and quintuple White Bird Shoots will round out the day's events set up especially for just average shooters, to enable them to win a fair share of the meat.

For the hot-shots, the program includes the winner - take - all event. In this one the prize JoPat steak goes to the high scoring gun. Fun type Annie Oakley and Protection Shoots will complete the day's events.

Hot refreshments and shells will be on tap all day long in the warm club house on the west side of Pistakee Bay.

Members of the McHenry Sportsmen's Club will elect a slate of officers at the Thursday, Dec. 5th meeting at the club house at 8 p.m.

The balance of the December schedule was posted on the trestle board by club secretary Harry Stern, Antioch, with Saturday afternoon practice sessions set for the 7th, 14th and 21st, from 1 to 4 p.m.

Two special holiday shoots were set, one for Sunday, Dec. 22nd, and a big one for New Year's Day, Wednesday, Jan. 1st, both starting at 11 a.m.

The McHenry Sportsmen's Club can be reached from the east via Route 134 Big Hollow Road, to its western terminus, then a right turn for 1/2 mile. From the west the route is through Johnsburg, south across the Fox River to Adam's Repair Shop, then a left to the "Y" and another left for 1/2 mile to the club. From McHenry it is north on Chapel Hill Road to Adams Shop and a right to the "Y".

Illinois has over 130,000 farms averaging 228 acres each, supporting more than 40 different crops. Its farms are valued at over \$13 billion.

## Sophs Win Two In Round Robin

Last Wednesday the Antioch Sophomore basketball team lost their opener in the annual Turkey Day Classic, a round robin tournament at Barrington High School to an aggressive Batavia squad by a score of 60-53.

Antioch held a slim 46-43 lead at the close of the third quarter but then committed several passing errors against the Batavia press and were outscored 17 to 7 in the fourth quarter.

Miller of Batavia was the game's high scorer with 32 points, 24 of which came in the first half.

Friday, the Sophs returned to Barrington and played an excellent game, both defensively and offensively in beating the Barrington Sophs 63-43.

Bentel of Antioch was top scorer in the game with 15 points.

On Saturday, the Sequoit Sophs led by Effinger's 18 points beat Mundelein 56-41 to wind up in a tie with Batavia and Barrington for first place in the tournament.

Antioch Sophs now own a 2-2 record for the season thus far. Coach Eugene Lischewski feels this year's team has many boys with the same level and potential in basketball ability, have an excellent attitude and work together well as a team.

Although the squad is small in stature it should produce a winning season.

Score by quarters:  
Antioch 16 28 46 53  
Batavia 12 34 43 60

### Ipsen Is Named Defensive Star

Lonn Ipsen, of Antioch, a 222-pound guard for Eastern Illinois University, has been named to the defensive unit of the Interstate Intercollegiate Athletic Conference's all-star football team for 1968.

Ipsen, who is 6 feet 1 and a senior, is a repeat from last year.

Illinois has 127,000 miles of expressways, highways and roads. Its primary system includes 12,775 miles of tollways and other roads designated as U. S. or Illinois highways—3rd highest in the nation.

## Consumer Buying To Be Surveyed

Area households will be included in a nationwide survey of plans for consumer buying and home improvement to be conducted by the U. S. Department of Commerce, Bureau of the Census, according to Theodore F. Olson, Director of the Bureau's regional office in Chicago.

Bureau representatives will visit a sample of households in this area during the first week of October to ask questions about expected purchases of new and used cars, new homes, household durables, and plans for home alterations and repairs. They will also obtain information about recent expenditures for all these items.

The survey is conducted quarterly and is an important guide to trends in consumer spending. Since 1920, the rate of growth in consumer investment has been more than double that of business investment. The annual investment by consumers in durable goods and houses is now far larger than business investment in new plant and equipment.

All answers given to these interviewers by families and households are confidential and are protected by Federal law.

Queen Candidates for the homecoming coronation Saturday night include Carolyn Irvin, June Dressel, Carole Plotzke, Ione Cribb, Elaine Christensen and Kitty Saylor.

## ANTIOCH GRADE SCHOOL ANNUAL FINANCIAL STATEMENT FOR PUBLICATION For The Fiscal Year Ended June 30, 1968 DISTRICT #34, COUNTY OF LAKE

### COUNTY ZONING NOTICE STATE OF ILLINOIS ) ) ss. COUNTY OF LAKE )

**TO WHOM IT MAY CONCERN:**  
PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on December 23, 1968, at 1:30 P.M., in the Old Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the AG-Agricultural Zone, to the UR-3C Urban Residential Zone and CR-Commercial Recreation Zone, the following described real estate, to-wit:

Property located 1/4 mile South of Rt. 173 West of the Des Plaines River, described as:

**Parcel 1—AG to UR-3C**  
The South East quarter (1/4) of the South East quarter (1/4) of the East 350 feet of the South West quarter (1/4) of Section 9, Township 46 North, Range 9 East of the Third Principal Meridian in Lake County, Illinois, and

**Parcel 2—AG to CR**  
The South West quarter (1/4) of

the South East quarter (1/4) (except the East 350 feet thereof) and the East 500 feet of the South East quarter (1/4) of the South West quarter (1/4) of Section 9, Township 46 North, Range 9 East of the Third Principal Meridian, in Lake County, Illinois.

As a result of the petition of F. C. BREHM, Trustee, etc., which petition is on file and available for examination in the office of the below named Board, Administration Bldg., Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

**LAKE COUNTY ZONING BOARD OF APPEALS**  
JOHN M. STERLEY  
Chairman

Dated at Waukegan, Illinois, this 5th day of December, 1968.

### LEGAL

#### NOTICE FOR BIDS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Village of Antioch, County of Lake, Illinois, at the regular meeting, January 7, 1969 until 8:00 p.m. Said meeting to be held in the Municipal Building 874 Main Street, Antioch, Illinois, for the installation of sewer tile and fencing at the Antioch Sewerage Treatment Plant Polishing Pond, according to specifications on

file with the Village Clerk.

Bids shall be addressed to C. B. Shultis, Village Clerk and shall be in his hands on or before January 7, 1969.

The Board of Trustees reserves the right to reject any and all bids, to waive any informalities in any bid, and to accept any considered advantage to the Village.

This advertisement is made pursuant to the direction of the Village Board of Trustees on December 2, 1968.

C. B. Shultis  
Village Clerk  
(Dec. 5, 1968)

### LEGAL NOTICE

**IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS**  
PROBATE DIVISION

**ESTATE OF ALBERT GOTTFRIED SPRENGER, Deceased,**  
FILE NO. 68 P-635

Notice is hereby given pursuant to Section 194 of the Probate Act, of the death of the above named decedent and that letters Testamentary were issued on November 28, 1968, to OTTO SPRENGER, R. R. No. 2, Box 342, Antioch, Illinois, whose attorney of record is Ted C. Larson, 388 Lake St., Antioch, Illinois, and that the first Monday in the month of January, 1969, is the claim date for the estate.

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

STEPHANIE SULTHIN  
Clerk of the Court  
(December 5, 12, 19, 1969)

### LEGAL NOTICE

**IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS**  
PROBATE DIVISION

**ESTATE OF ALMA SWANSON, Deceased, FILE NO. 68 P-589**

Notice is hereby given pursuant to Section 194 of the Probate Act, of the death of the above named decedent and that letters of Administration with the Will Annexed were issued on November 25th, 1968, to EDWARD C. JACOB, 425 Lake Street, Antioch, Illinois, whose attorney of record is Frank Rhode, Jr., 425 Lake Street, Antioch, Illinois, and that the first Monday in the month of January, 1969, is the claim date for the estate.

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

STEPHANIE SULTHIN  
Clerk of the Court  
(December 5, 12, 19, 1969)

In a recent survey done on smoking habits of 8,272 teenagers, it was learned that there were several reasons why they first started smoking. Reasons given were: 71% of the students' fathers smoked; 52% of their mothers smoked; 54% had older brothers who smoked and 47% had sisters who smoked. Out of this group, 8,722 students, 60% had smoked and 20.7% were regular smokers.

Southern Illinois University anthropology students and professors are excavating Indian burial pyramids near Metropolis, Ill.

## 45 Fatal Number For Pedestrians

"Forty-five seems to be fatal for pedestrians," Jerry Klebe, Executive Director of the Lake County Safety Commission, said recently, as he pointed out that pedestrians in the age group 35 to 65 suffer more frequent pedestrian injuries than any other group but added those over 55 account for more fatal pedestrian accidents.

To avoid that rundown feeling at night, Director Klebe gave the following advice to persons on foot during the hours of darkness: Never step into the street ahead of a moving car unless you have

plenty of time to cross before there is danger of being struck. Remember, cars can't stop on a dime. The margin of safety should be increased at night. Make certain that drivers can see you at night by wearing something white or light colored. If this is not possible, carry a flashlight.

While crossing at intersections, watch for turning vehicles. Remember, that a driver's vision might be obstructed so that he can't see you until it is too late.

This is particularly true at night. Because of longer hours of darkness during the fall and winter months, obedience to traffic signs and signals is of more vital importance. Remember that motorists have a right to expect you to obey the rules for your own protection.

When walking in open country or where there are no sidewalks, walk on the left facing traffic. A driver becomes a pedestrian when he gets out of his car to change a tire or for some other emergency. Make certain you can be seen by other motorists. Drinking greatly increases pedestrian hazards, and particularly at night when four times as many "had been drinking" as

those struck during daylight. Use the same caution while walking in familiar areas as you would in unfamiliar surroundings. Remember that most pedestrian accidents occur at locations familiar to the pedestrian. Pedestrian: Do your jogging in daylight hours!
